

Group Captive Insurance Seminar

Re-Think Insurance

J.W. Terrill, Werts Welding & Tank Service and Whelan Security will host a Captive Insurance Seminar. The discussion will review the group captive model that offers a more entrepreneurial approach to control casualty insurance costs.

At the seminar you will learn more about the program benefits, administration, financial strength and participation requirements. The group captive market insures approximately 4,000 participating companies.

Target Profile for Group Captives:

- Casualty Premiums that exceed \$150,000 (Workers' Compensation, Auto, General Liability)
- Financially stable
- Strong safety culture
- Entrepreneurial

Benefits of a Captive:

- Greater Control
- Retain underwriting profit and investment income
- Ability to transfer profits to a family trust
- Premium funding is based only on your five year loss history

Date:

Wednesday, May 30, 2018
